

Streetball Extreme

World champion urban street sport performers as seen on Wayne Rooney's street striker, Nike basketball and football freestyle adverts and MTV. They deliver breathtaking live performances and coaching academies that incorporate BMX, Freestyle Football, Freestyle Basketball, Street Dance and Parkour

Streetball Extreme is a new and exciting urban street sport brand. Incorporating professional street basketball players and the world's best freestylers. Taking the rawest form of basketball, football, street dance and BMX, Streetball Extreme live is a highly unique and entertaining sport and visual extravaganza that is taking the world by storm.

Founded by Tom Connors, a former AND1 player and star of his own show on the Extreme Sports Channel "Streetball Extreme The Battle For Europe", Tom is the face of SBX and is responsible for developing fresh young talent within this sport.
